FOLDING CARTON BOXS

Are perfect for quick service, this types of box is easy to assemble and usually used in manual packaging at fast food restaurants and food joints. The boxes are made with food grade material, also environmentally friendly and recycled products, they come in white or brown Kraft material, and as promised to meet your requirements we offer you, a poly coated interior for your special grease proof requirements, different sizes and multicolor printing and gloss options. We also have the option of a transparent window for showcasing the product inside.

PAPER BAGS

Our paper bags are made with high quality paper, our Handle bag is made with Kraft paper and has twisted upright handles which keeps the bag sturdy to hold your product making it a great option as a takeaway bag or a retail shopping bag. The satchel and SOS bags are widely used for food contents such and sandwiches and snacks. All our bags are available in many sizes and can be printed on, they come in two colors white and brown Kraft paper, and we also have the option of a transparent window for showcasing the product inside.

BOWLS & ICE CREAM CUPS

The bowls that we make are made with a specific material to obtain the contents in it, offering optimum protection of the foods packaged.

The Ice Cream cups are made with specific materials especially suitable for ice-cream, to obtain the contents in it, offering optimum protection of the ice-cream inside. Our cups are available in many sizes and can have a customized design, they come with different lids styles according to your needs, such as Dome lids or jelly lids.

CORRUGATED E-FLUTE BOXES

The corrugated boxes that we offer are made of highly durable material with a top layer of duplex sheet which can be printed on using offset printing technology. These types of boxes are widely used for products that require a very strong material for better protection of the contents.

PAPER WRAPS

From sandwiches to steaks, and everything in between, food of all types need to be packaged properly which is why our paper wraps are designed to help preserve the freshness of your food. Depending on your need we offer butcher paper, freezer paper, sandwich and wax paper to assist you in delivering quality products to your customers. Available in many sizes, and also offering custom design printing to suit your brand.

CUPS

Our cups offer maximum protection for hot contents such as coffee, tea and many other drinks, available in a double wall to provide insulation against heat for comfortable handling, these cups are a perfect solution to keep hot drinks warmer for a longer time, We also have special cups for different uses such as fries or chicken nuggets and many more. All of our cups can be designed to your liking and needs, Support products like lids and cup holders can be provided with the cups.
